This STALLION BREEDING CONTRACT is by Mark Hendrix & Melissa Kelson and between MARE

OWNER \_\_\_\_\_ for the breeding season of 2024 is made and

entered on this \_\_\_\_\_ day of \_\_\_\_\_, 2023/2024. Mare owner agrees to breed

the mare \_\_\_\_\_, registration number \_\_\_\_\_ to UNRELENTING FORCE

AQHA# 5858323 for the fee of \$2000 for a live foal subject to the following conditions:

1. The stallion fee of \$2000 includes a nonrefundable booking fee of \$300 payable with this contract, the balance of which must be paid before semen is shipped or collected. A copy, both sides, of your mare's registration papers must accompany this completed & signed contract & booking Fee.
2. Stallion will be housed at Northside Animal Clinic, West Haven, Utah.
3. All breeding services: either cooled semen, frozen semen or reproductive services, or mare care are available at Northside Animal Clinic. Wet and dry mare care is \$15.00/day.
4. Cooled Semen Shipping Fees: \$300 (\$350/frozen) for all US states except Alaska and Hawaii for each shipment requested. All semen shipping fees will be due from mare owners before any semen will be shipped. Semen requests must be made by phone to Northside Animal Clinic at 801-732-8387. Confirmation or cancellation of semen order must be made no later than 9:00 am Mountain Standard Time the day of collection/shipping. Semen collection/shipping days are Monday-Wednesday-Friday. Cooled and frozen shipped semen available into Canada. Please contact for pricing.
5. Multiple embryo transfer: If more than one embryo is produced from stallion breeding under this agreement and if multiple embryos are transferred, then mare owner must notify stallion owner within 48 hours of transfer of embryo(s). If embryo transfer results in multiple pregnancies, then mare owner must pay stallion owner for each pregnancy.
6. This contract contains a 1-week live foal guarantee. If a foal is born dead or dies within one week of foaling, there are return privileges for the next breeding season only if breeder is notified within 30 days and receives a veterinarian's statement of death. If after pronounced "safe in foal", the mare should miscarry, abort, or prove barren, the mare owner has the privilege to return her for breeding during the current breeding season or the following year. Mare owner may not assign this breeding contract or substitute any other mare for the mare under this agreement, without the prior consent of stallion owner. Any attempted assignment without the prior

consent of stallion owner will, at the option of the stallion owner, terminate this agreement and release stallion owner from all obligations hereunder.

7. Normal breeding season February thru July.
8. A breeders certificate will be issued for the foal, conceived by this mating when the mare has produced a live foal by this mating.
9. If Stallion dies or becomes unfit for breeding in the opinion of stallion owner, this agreement at the option of stallion owner, immediately terminate on behalf of mare owner. The stallion service fee (less booking fee) will be refunded and the stallion owner and mare owner will be released from any further obligations under this agreement. If the stallion is sold, the new stallion owner will honor rebreeds for one year from the date of breeding. No refunds will be issued if stallion is sold.
